Hi Families!

This May we are introducing a new theme, **Amp It Up**, which will focus on the Simple Truth, “I Am Here to Share Jesus.” We will teach kids that part of their God-designed identity is to tell others about Jesus—they can tell their family, their friends, their neighbors, and the world! We can’t wait to help kids know more about the unique way God has equipped them to share Jesus!

READ TOGETHER

Read John 1:29-42: Andrew wanted to follow Jesus, and he wanted to invite his brother to follow Jesus as well. Our excitement for Jesus can flow over to the people closest to us—our families. Tell your kids stories about what your life was like growing up. Let them ask you questions and talk about what a difference Jesus can make in the lives of the people you love.

TALK TOGETHER

Who are some people that we see on a regular basis? What is something about Jesus you can share with them?

PLAY TOGETHER

Go on a family walk and gather a bunch of sticks or use craft sticks, one for each person in your family (or those you consider family). Decorate the sticks with paper, yarn, and even googly eyes. Tie the sticks together with your kids’ sticks in the middle. Use this “Family Bunch” to remind your kids that they can tell your family about Jesus!

PRAY TOGETHER

Take time today to pray as a family—talk and listen to God.

Pray these four things:

1. Thank God that you are here to share Jesus with family, friends, neighbors, and the world.
2. Ask God to help you be bold and brave as you invite others to come and see Jesus.
3. Pray for one another.
4. Choose one or two other people to pray for—that you would tell them about Jesus and that they would say yes to loving and following Him.
